Report of Principal and School Improvement Council

J.K. Gourdin Elementary School is a schoolwide Title 1 School fully accredited by the Southern Association of Colleges and Schools, located in the Pineville-Russellville community of Berkeley County. Our school serves a total of 185 students in a PreK through fifth grade educational setting. Our mission is to ignite in every student a passion for life-long learning. We will continue to provide dynamic instruction, create partnerships, and provide exceptional support.

In order to achieve our mission, our primary goals are to increase student achievement as measured by the Palmetto Assessment of State Standards (PASS), provide opportunities for teachers to participate in professional training based on best practices, exhibit a safe and orderly positive learning environment, and create an environment that fosters a working partnership between the home and school. We will provide opportunities for all students to be successful.

The use of computers, ipads, and SMART boards provided technology to enhance the instructional program. Students participated daily in reading and math computer assisted instruction in the Success Maker Computer Lab. An additional computer lab was used for special class projects to allow students to engage in research, complete Accelerated Reader tests, learn keyboarding skills, and participate in the district's benchmark (Measures of Academic Progress) which was used to monitor students' progress and achievement in reading, language, and math.

Teachers were provided opportunities to engage in weekly Professional Learning Communities (PLC) activities, conferences, workshops, and mentoring initiatives in order to promote collaboration, planning, and instruction for the Common Core State Standards.

Our students were celebrated with incentives and other rewards for demonstrating positive attitudes, respectful behavior, and academic achievement through the PTA and our PBIS initiative. They participated in Family Math Night, Oratorical Contest, Spelling Bee, holiday programs, and pageants. We celebrated our school for making (AYP) Adequate Yearly Progress in 2013. As a result of our record of performance, we received the Palmetto Silver Award. We thank the PTA, Dad's Club, parents, volunteers, and the community for playing an integral part in the educational program. We solicit your continued support in improving student growth and achievement.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	77.5
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
